J. Unseen Passage

Read the passage carefully and answer the questions that follow.

I am thrilled that May is finally here! Now I can enjoy what I call “the sweet taste of summer”! Watermelons are in the stores, and I plan to eat one every day for the next three months. I think watermelons taste better than any other fruit. Peaches, plums, and strawberries are also great in the summer. I enjoy eating those, too. But they just don’t taste as good to me as a sweet, sweet watermelon. My whole family likes eating watermelons. We ate at least three watermelons a week last year. This year, I am going to eat watermelon every day, all summer long.

1. Why is the girl excited that May has arrived?
2. What is her favourite fruit?
3. How long will the watermelons be available?
4. What other summer fruits does the girl enjoy?
5. What is your favourite summer fruit? Why do you like this particular fruit?
