Our Mission and Vision

Our vision is in sync with the immortal lines of Rabindranath Tagore.

"Where the mind is without fear and the head is held high.

Where the knowledge is free.

Where the world has not been broken up into fragments by narrow domestic walls."

Thus our mission is:

- To develop mental, intellectual and aesthetic faculties of the child through a host of curricular and co-curricular activities.
- Instill a sense of patriotism and community spirit in the students in order to make them worthy and responsible citizens.
- Foster team spirit and environment consciousness.
- Make the students understand that formation of good character is the foremost objective of education.
- Impart student-friendly stress-free and value-based learning experience.
- Provide state of the art educational facility.
