SUBJECT –ENGLISH GRAMMAR-CLASS - V

TIME: 3 HOURS

M.M.: 40

General instructions:

- Read the questions carefully.
- This question paper is divided into two sections A and B.

Section A

Q1. Read the passage and answers the following questions:-

(1x5=5)

Riya lived in a small village near a river. Every morning, she would wake up early and help her mother water the plants before going to school. One day, while walking along the riverbank, she noticed that the water was filled with plastic bottles and wrappers. The fish were struggling, and the birds no longer came near the river. Riya felt sad and decided to take action. She spoke to her teacher, who encouraged the students to organize a cleanliness drive. On Sunday, many villagers joined the students to clean the riverbank. They placed dustbins around the area and promised not to throw waste into the river again. After a few weeks, the river looked cleaner, and birds slowly started returning. Riya learned that even small efforts can bring big changes when people work together.
